

CONNECTIVE

APRIL 18th 2019

Smart Documents Community Webinar

Smart People • Smart Business • Smart **Documents**

Who we are

Kristien De Schutter

Product Manager at Connective

kristien.deschutter@connective.eu

Wesley Van Malcot

Product Expert at Connective

wesley.vanmalcot@connective.eu

A few practicalities

TIMING

10h00 – 10h30

QUESTIONS?

Please ask via chat or per
Mail service@connective.eu

SLIDES

You will receive the
slides, recordings and
answers to your
questions via mail
afterwards.

WE CAN'T HEAR YOU?

That's because every
attendee is muted during
webinar. Of course we will
answer your questions
afterwards.

AGENDA

- 1 Welcome to the Community
- 2 RFC deep dive
- 3 Roadmap sneak peek
- 4 Follow-up

Welcome to the Smart Documents Community!

Why this Webinar?

Your user experience is our drive!

- The changes and novelties that we release are both inspired by you and designed for you

We're all different users

- The Smart Documents Suite unites functional and technical users who are all stakeholders on the road towards the ideal digital document flow

Let's start a tradition

- New release, new Webinar. We'd love to hear your feedback!

What's new in Smart Documents?

- We're proud of our versatile product and we want to share it with you!

Welcome to the Smart Documents Community!

What we've achieved

+200

Smart Document Users

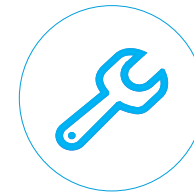

+5.1 million

Document Generations*

+2.2 million

Email Generations*

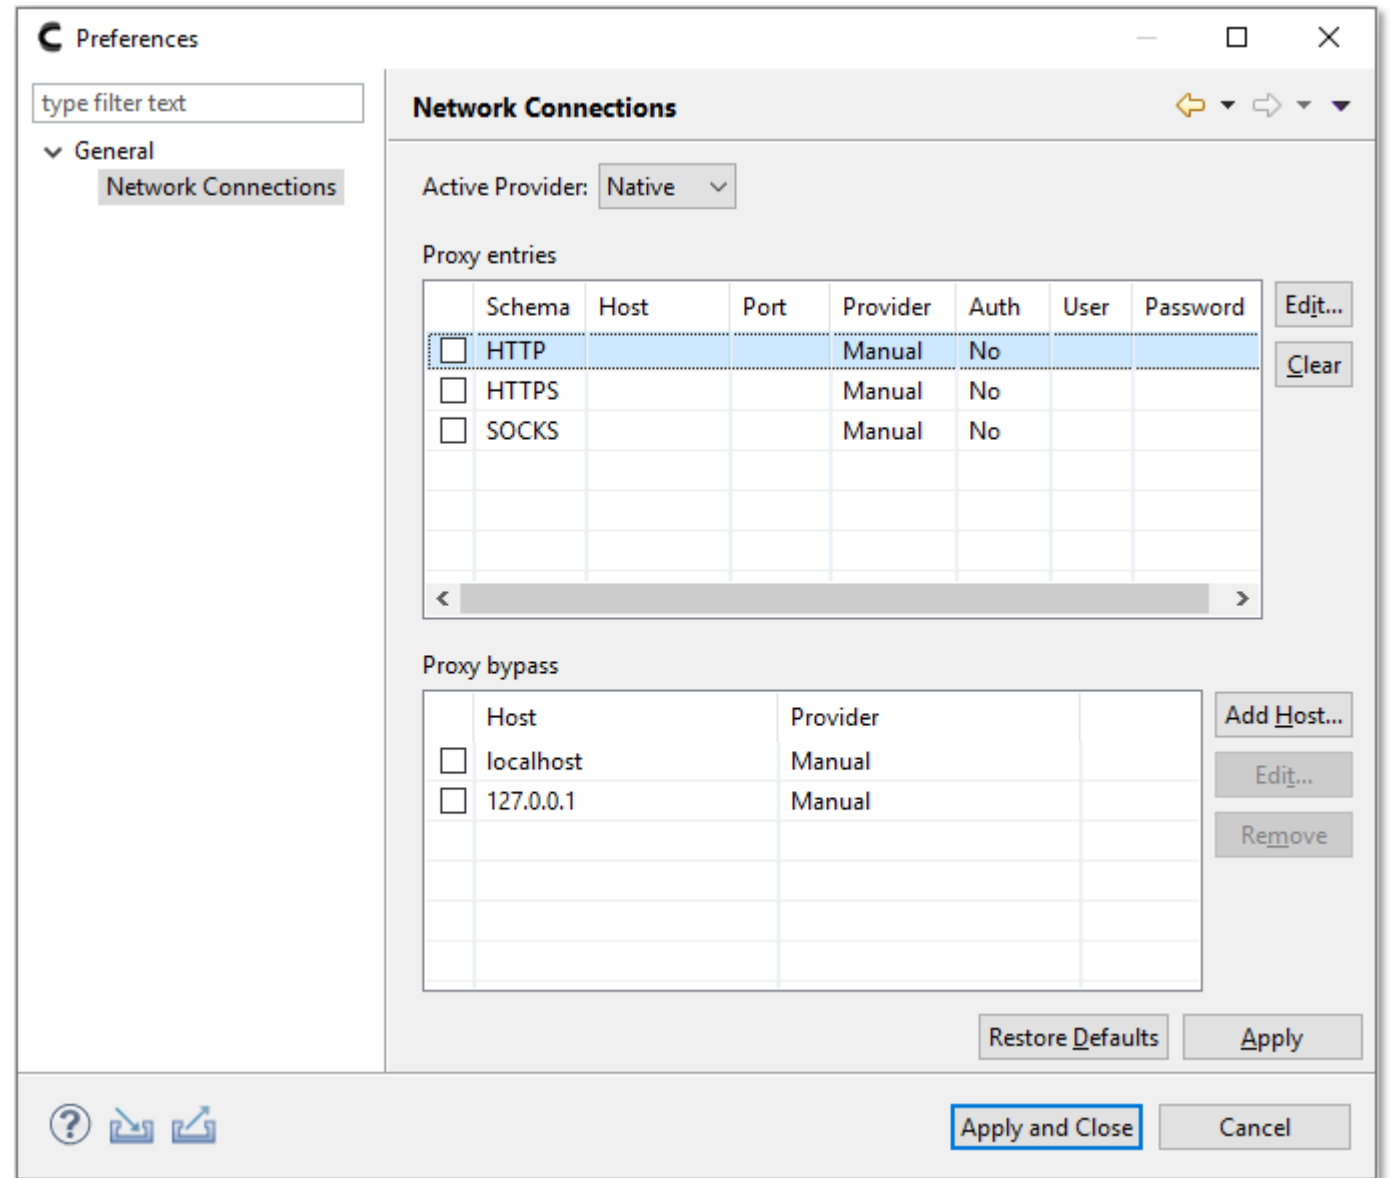

57

RFCs completed

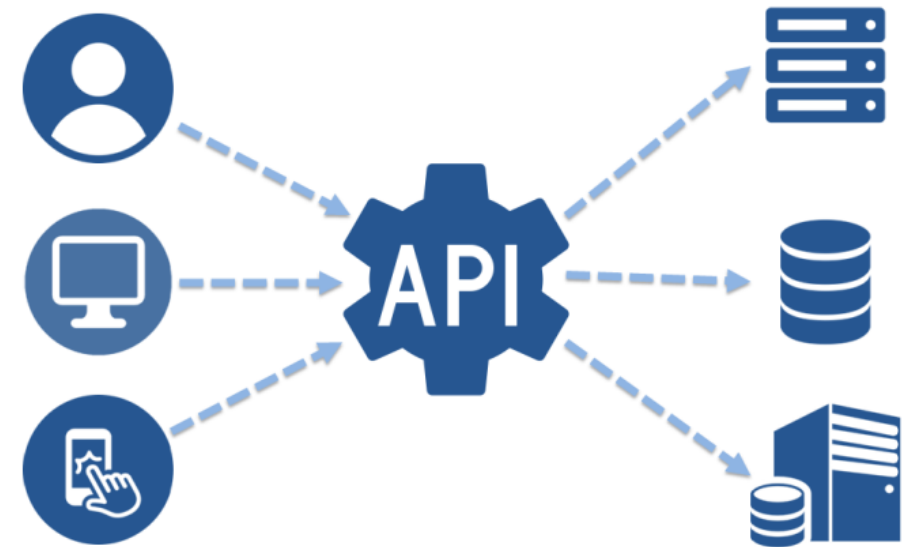

Proxy Support

- ✓ Improved ease of configuration
- ✓ Can be applied individually by the users
- ✓ Security regulations compliance

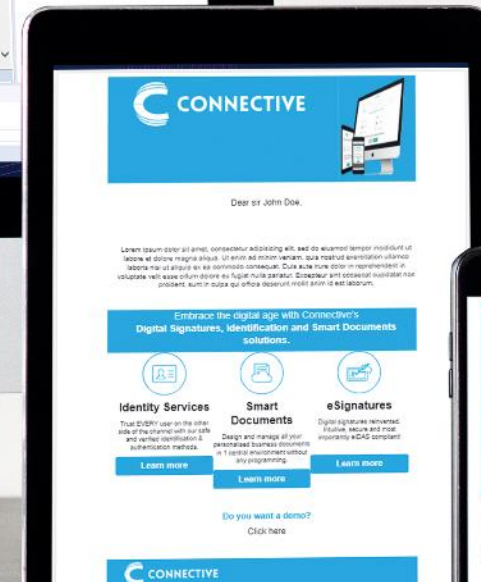

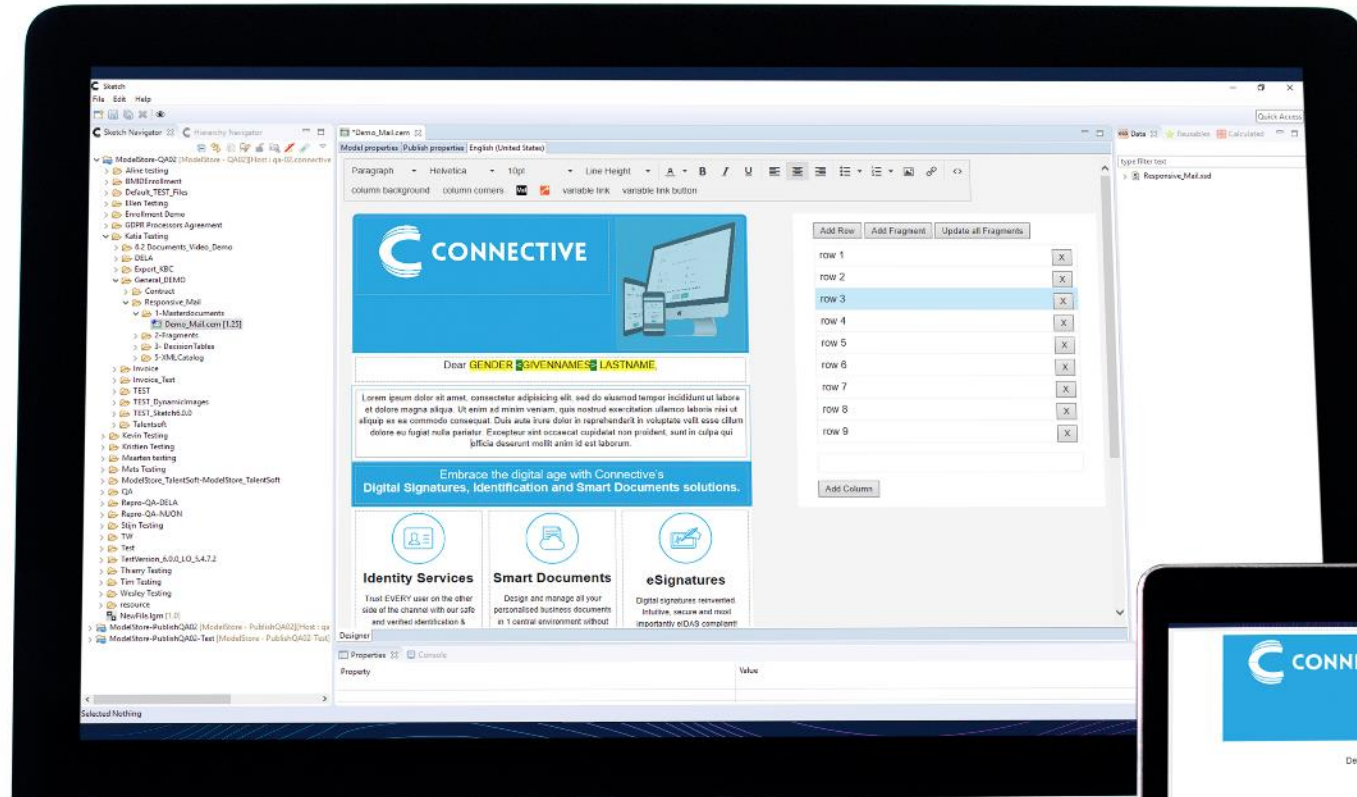

REST Worker

- ✓ REST architecture
- ✓ Increased configuration flexibility
- ✓ Additional way of handling documents after generation
- ✓ Extended response handling
- ✓ Example use cases:
 - Callback functionality
 - eSignatures integration

Responsive E-mail Editor

Let's see it in action
